

Removing a Proprietor/Owner

A guide to preparing the documents

Preparing a Transfer of Land Document to remove a Proprietor/Owner from a Certificate of Title

This step-by-step guide is designed to show you how to prepare and lodge a simple transfer of land document to **remove a Proprietor/Owner** from a Certificate of Title.

If you are completing the forms yourself, we advise you to exercise care as the documents involved are legally binding. A competent professional, such as a solicitor or settlement agent, should always be considered when preparing any land transfer document.

It is important to read through the whole of this information guide. Being familiar with the information provided in the guide will assist if you need to contact Landgate to clarify any part of the process. Useful contacts are listed on the back page.

What you should know about a Certificate of Title

Certificates of Title are created by Landgate usually as a result of registration or approval of a subdivisional plan. Original titles are always kept at Landgate.

Some limitations or encumbrances may prevent the registration of a transfer or other interests on a Certificate of Title. For this reason, it is recommended that a copy of the Certificate of Title be obtained from Landgate, to assist in completing the Transfer of Land form. We common refer to this as a 'title search'. A title search will show the spelling of the names of the registered proprietors/owners.

For a fee, you can conduct a title search and obtain a copy of the Certificate of Title.

What do I need for my Land Transfer?

- Verification of Identity (VOI) the identity of the person(s) signing as transferors and transferees must be verified
- Title Search (recommended) used to complete the Transfer of Land form
- Forms Transfer of Land (T1 or T2)
- 'Certificate of Duty' or document stamped Obtained from Revenue WA (OSR) for the assessment of (stamp) duty
- Mortgagee consent (if there is a registered mortgage)
- Registration Fees payable to Landgate

Verification of Identity (VOI) – Identifying the transferors and transferees

Both the transferors and transferees are required to have their identity verified by an independent party in line with Landgate's VOI practice.

When opting for professional representation they will complete the Verification of Identity on your behalf and will lodge the land transaction/s. If the land transactions are returned to you to self-lodge, you will be considered as self-represented and will not be able to use the VOI Statement provided by the industry profession. Lodgement may also be refused.

If opting for self-representation, you are required to download the Verification of Identity

Form – Self-Represented Party (Western Australia) from policy and procedure guide VOI-02

Western Australian Registrar and Commissioner of Titles Joint Practice: Verification of Identity and Authority. Paper Based Transactions – How to Complete a Verification of Identity. The form is not available at Australia Post outlets.

Once you have attended a participating outlet and you have your receipt, you can complete the VOI Statutory declaration that will accompany the Transfer of Land.

 Persons residing overseas cannot be self-represented party and must seek professional representation.

Title Search – A copy of the current Certificate of Title

A title search is optional, however highly recommended, as the search provides you with a complete up-to-date copy of the title at the date and time the title search is conducted.

For a fee, you can conduct a title search online using an address and <u>obtain a copy of</u> a Certificate of Title.

A Transfer of Land Form – (T1 or T2)

A <u>Form T1</u> is a one-page form used when there are no more than two transferors and/or two transferees named in the document.

A <u>Form T2</u> is a two-page form that has larger information panels and can used when there are more than two transferors and two transferees, or if more information is required in any panel on the transfer document.

Freehold land registration forms are available from a Landgate office or online from the Landgate website.

Please note that only original signed forms can be lodged for registration and all forms must be printed on white A4 size paper in duplex style, so both sides of the paper are printed upon.

Revenue WA (OSR) – for the assessment of (stamp) duty

When the transfer form has been completed and signed, the original signed transfer form must be presented to State revenue at the Department of Finance for (stamp) duty assessment.

NOTE: All transfers must be presented to Revenue WA for duty notation before the transfer can be lodged with Landgate. The transfer form will be either 'Stamped' or a 'Certificate of Duty' will be issued.
